NATIONAL LEARNING RESOURCES DIRECTORY

A Networking Handbook for Learning Resources Center/Library Administrators at Two-Year Colleges

LEARNING RESOURCES ASSOCIATION OF CALIFORNIA COMMUNITY COLLEGES

This Directory was prepared under the direction and supervision of Dr. Donald G. Kirkorian, Executive Director of the Learning Resources Association of California Community Colleges (LRACCC).

The following individuals worked on the project to successful conclusion:

Ralphine M. Andrus, Secretary, sent out mailings, kept track of all the returned questionnaires, entered all survey information, and organized the Directory.

Sam Maher developed the computer program for the Directory.

Jose Menendez, Director of Printing Services at De Anza College, printed the Directory.

The LRACCC Board wishes to express a special thanks to the many people who took the time to respond to the questionnaire and provide us with the information to complete this Directory.

Introduction

At the Learning Resources National Conference held in San Francisco during February 1990, there emerged a need for a National Directory of the Learning Resources/Library Administrators to assist administrators in networking with colleagues across the country, Canada, and U.S. territories. By February 1991 the first Learning Resources National Directory was printed.

Due to the success of the first Directory, the Learning Resources Association of California Community Colleges (LRACCC) Board decided to update and expand this publication in time for the 1993 National Learning Resources Conference. During August 1992, approximately 1,600 letters/questionnaires were mailed to Deans/Directors of Learning Resources/Libraries to update the Directory and to add new listings. By Fall 1992, work began to input the data and in February 1993, the Directory was printed. At the time the 1993 Directory went to press, 885 responses had been received/updated.

It is hoped that this Directory proves helpful to those using it. LRACCC would like to hear from the Deans/Directors concerning the usefulness of this publication.

Organization of the Directory

This Directory is organized into four sections as follows:

Section I - **COLLEGES BY STATE (lavender pages)**
Colleges by State and provinces are listed alphabetically along with the college, the contact persons, and telephone number.

Section II - **COLLEGE AND CONTACT PERSON (blue pages)**
College and Contact Person includes all the colleges listed alphabetically followed by the state, contact person's name, and telephone number.

Section III - **CONTACT PERSON AND COLLEGE (green pages)**
Contact Person and College includes all contact persons' names listed alphabetically, the college and state location, and the telephone number.

Section IV - **COLLEGE BY STATE DIRECTORY (white pages)**
This comprehensive Directory lists each college under its corresponding state and includes: address, contact person and title, telephone number, fax number (if any), electronic mail (if any), whether the institution is public or private, Deans/Directors' areas of administrative responsibilities are marked with an asterisk [*], and Deans/Directors' areas of special interests are also marked with an asterisk [*].
